

Job Title: Seasonal Agronomy Positions **Posting ID#:** 1011119
Reports To: Location Managers
Location: Stewartville and Elgin, MN
Hiring Manager: Scott Schwanke, Elgin schwanke@allamericancoop.com
Pete Doherty, Stewartville pdoherty@allamericancoop.com

The following positions (or similar) are available at our Stewartville and Elgin locations:

Truck Drivers

Drive co-op owned trucks to deliver dry or liquid bulk material to our customers and/or our field application equipment, follow company protocol and safety regulations, and comply with all DOT, MDA, and EPA regulations as required

Qualifications

Class A or B CDL with tanker endorsement, hazardous materials endorsement may be required; demonstrated proficiency of truck operation and maneuvering; a seasonal (180 day) CDL may be adequate in certain circumstances; valid health card required

Skid Loader/Forklift Operator

Operate skid loader/forklift for loading dry granular fertilizer into blending equipment, maintenance and light repair of skid loader, forklift and other equipment, follow company protocol and safety regulations

Qualifications

Proficiency with skid loader and forklift operation; CDL desirable but not required

Loading Dock, Customer Service, and Yard Work Assistant

Aid co-op staff with outside activities including (but not limited to) loading customers with feed, seed, and pesticide products, loading bulk pesticide and fertilizer products, equipment maintenance and light duty repair, receive and unload shipments of products, follow company protocol and safety regulations

Qualifications

Attention to detail/product knowledge sufficient enough to identify and load correctly; proficiency with skid loader and forklift operation desirable; CDL desirable but not required

Additional requirements for all positions:

- All Positions will require a valid class D or Commercial driver's license.
- Ability to shift focus between any and all departments as work load and labor needs dictate
- Ability to communicate daily with co-workers, supervisors, and managers to perform needed tasks of the company to further enhance All American Co-op's mission and image
- Ability to prioritize multiple tasks during peak workload times
- Ability to lift a minimum of 55 pounds
- Meet the physical and mental demands of working extended hours, repetitive heavy lifting, and climbing ladders to perform tasks at elevated or below-grade locations
- Ability to understand and comply with OSHA, MDA, DOT, EPA, PCA and other regulations
- Work efficiently while always keeping yourself and others safe

NOTE: This job description is not intended to be all-inclusive. Employee may perform other related duties as negotiated to meet the ongoing needs of the organization.
